Entries open April 17. Early entries will be accepted. Entries postmarked after that date, will be accepted in order of postmark date. Classes may be limited; entries close when our limits have been met. You will be notified if our limits are exceeded and you will be given the option of being placed on a waiting list. We may accept third dogs in Open (only two may place), but will reserve the right to limit you to two should entries warrant. Please indicate on the entry form which dog is to be dropped should this happen. We will collect money for third dogs the day of the trial, should they be accepted, or you may send a separate check for third dogs.

Start times will depend upon entries received. We will run as stated above unless our Open numbers push Nursery I into Tuesday AM as a backup plan. Cancellations with a full refund will be accepted until June 20th. Should you have to withdraw from the trial after that date, please notify us, as your spot may be replaced with someone on the waiting list.

Camping space will be provided on the trial site. There are no hook-ups. Bring water for your personal use. Local lodging establishments are posted on the NEBCA trial listing.

Food:
Sunday evening we will have a catered BBQ. Please indicate on the registration form if you would like to attend. Dinner fees must accompany entry form. Concessions for breakfast and lunch will be available each day.

Go about 4 miles and take a left onto Route 392 West, as if going to Greek Peak Ski Resort. Travel 7 miles into the small town of Virgil. At the 4-way stop, turn left, continuing on Route 392. Take the second left, Owego Hill Road (this road is between two big arrows pointing out the curve to the right). Go one mile and take a left at the stop sign. The entrance to the trial field is about ¼ mile on your right.

…from Ithaca and points west: Take Route 13 into Dryden. At the light go straight putting you onto Route 392 East, as if going to Greek Peak Ski Resort.
